- Identify and remove execution blockers to maintain delivery momentum.
- Promote a culture of ownership, learning, and continuous improvement.
- Track progress and report key execution metrics to leadership.
- Support change initiatives and foster communities of practice.

YOUR SKILLS

- Proven track record of leading initiatives from concept to delivery.
- Degree in Computer Science or a related field.
- Strong strategic thinking and planning skills.
- Passion for agile methodologies & values (Scrum, Kanban, SAFe).
- Thrives on change and new challenges.
- Excellent analytical and problem-solving abilities.
- Clear and confident communicator with strong interpersonal skills.
- Hands-on, adaptable, and passionate about enabling others.
- Fluent in German and English.
- Willingness to travel occasionally (approx. 10%).

YOUR BENEFITS

In addition to a wide variety of engaging tasks, we also offer our employees the following benefits:

- Family-owned company
- Job security
- Healthy growth
- Home Office
