We are looking for somebody to join our team as a

Team Captain &
Senior Java Developer (f/m/d)
AT OUR SITE IN GRAZ OR FRIESACH NEAR GRAZ

The **SSI Schaefer Group** is the world's leading solutions provider of modular warehouse and logistics systems and employs a workforce of over 8,600 people at its international subsidiaries and production sites.

SSI Schaefer consolidates the Group's software power, making it the ideal partner for analyzing, visualizing, and optimizing intralogistics processes.

With over **1,100 software experts,** we develop customer-oriented, individually tailored intralogistics solutions.

YOUR RESPONSIBILITIES

- **Design and develop robust backend solutions** using modern Java technologies as part of our platform backend team.
- **Act as a technical leader** within the team, ensuring high-quality code through code reviews, automated testing, and documentation.
- **Drive team productivity**, ensuring that all team members are effectively engaged and supported in their roles.
- **Represent the development team** in discussions with stakeholders and line management, acting as the primary point of contact.
- **Facilitate communication and information flow** within the team and across departments.
- **Support and mentor team members**, fostering a culture of collaboration, continuous learning, and technical excellence.
- **Identify and escalate issues proactively** to ensure smooth delivery and team alignment.
- **Contribute to architectural decisions** and the evaluation of new technologies and frameworks.

YOUR SKILLS

- Several years of professional experience in Java development, ideally in distributed systems and platform services.
- Strong understanding of RESTful APIs (OpenAPI), secure coding (incl. TLS/certificates & cryptography e.g. encryption, JWT), JUnit and ideally tools like Gradle/Maven, Quarkus, Consul, Traefik, Keycloak, Artemis.
- Strong understanding of relational databases (e.g. Oracle, MS SQL, ...)
- Proven experience in agile software development and working in cross-functional teams.
- Excellent communication and leadership skills, with the ability to guide and align a team.
- A proactive, solution-oriented mindset and a collaborative working style.
- Fluent in English; German is a plus.
- Willingness to travel occasionally (approx. 5 %).

YOUR BENEFITS

In addition to a wide variety of engaging tasks, we also offer our employees the following benefits:

- Family-owned company
- Job security
- Healthy growth
- Home Office
- Staff discounts
- Numerous staff events
- Comprehensive health care package
- Lunch subsidy
- Flexible working hours
- Personal professional development program
- Mentoring-System
- Free parking
